

Job Title: Traveling Athletic Trainer

Organization: Troopers Drum and Bugle Corps

Location: On Tour (Nationwide)

Job Type: Seasonal

About Troopers Drum and Bugle Corps: Troopers Drum and Bugle Corps is a world-renowned organization dedicated to fostering excellence in the performing arts. With a history dating back to 1958, the corps prides itself on its commitment to providing young musicians with a transformative and enriching experience. We are seeking a passionate and experienced Traveling Athletic Trainer to join our health team during the summer tour.

Position Overview: The Traveling Athletic Trainer plays a vital role in ensuring the health and performance readiness of our corps members while on the summer tour. Under the supervision of the Health Team Coordinator, you will provide immediate care, injury prevention strategies, and support for the physical well-being of our talented performers.

Key Responsibilities:

1. **Injury Assessment and Treatment:**
 - Conduct daily assessments of corps members' physical condition, providing immediate care for injuries and rehabilitation exercises as needed.
 - Collaborate with the Health Team Coordinator to ensure all medical needs are addressed promptly and effectively.
2. **Injury Prevention:**
 - Develop and implement injury prevention strategies, including taping, bracing, and strength and conditioning programs.
 - Educate corps members on proper warm-up, stretching, and recovery techniques.
3. **Emergency Response:**
 - Be prepared to respond to medical emergencies during rehearsals, performances, and travel events.
 - Assist with the implementation of the medical emergency plan as directed by the Health Team Coordinator.
4. **Record Keeping:**
 - Maintain detailed medical records for each corps member, including injury history and treatment plans.
 - Work closely with the Health Team Coordinator to ensure accurate and up-to-date records.
5. **Communication:**
 - Report all injuries, treatment plans, and recovery progress to the Health Team Coordinator and Corps Director.

- Collaborate with other medical professionals and staff members to ensure a comprehensive approach to healthcare.
- 6. Logistics Support:**
- Assist in the management of medical supplies and equipment during the summer tour, ensuring their availability at all tour locations.
 - Coordinate transportation and logistics for medical equipment as needed.

Qualifications:

- Bachelor's degree in athletic training or a related field.
- Current certification as an Athletic Trainer.
- Previous experience in athletic training, preferably in a sports or performance-related setting.
- Strong interpersonal and communication skills.
- Knowledge of performing arts and the unique physical demands of a drum and bugle corps tour is a plus.

Benefits:

- Accommodation, meals, and travel expenses covered during the tour.
- The opportunity to work with a dynamic and talented team in a highly respected organization.
- The chance to make a positive impact on the lives of young performers.

If you are a dedicated and certified athletic trainer with a passion for supporting the well-being of talented musicians and performers, we encourage you to apply for the Traveling Athletic Trainer position at Troopers Drum and Bugle Corps. Join us in providing an exceptional experience for our members and helping them achieve their full potential in a safe and nurturing environment.

To apply, please submit your resume and a cover letter detailing your relevant experience and qualifications to the Corps Director at director@troopersdrumcorps.org.
