

Job Title: Traveling Nurse

Company: Troopers Drum and Bugle Corps

Reports to: Health Team Coordinator

Job Overview: The Troopers Drum and Bugle Corps is seeking a highly motivated and experienced traveling nurse to join our team. As a member of our organization, you will be responsible for providing on-site medical support and care to our student-athletes during rehearsals and competitions, with a priority of helping keep the organization safe and in optimal health.

Responsibilities:

- Facilitate and manage the health needs of the Drum Corps
- Provide first aid and emergency care as necessary, refer to urgent care/emergency room as indicated
- Organize, maintain and administer first aid and over the counter supplies and medications
- Organize and supervise administration of prescription medications
- Maintain accurate medical records for all members, log all medications and treatments administered
- Communicate and collaborate with instructional staff, medical staff and parents, if needed, regarding the health and well-being of our student-athletes
- Travel with the corps to rehearsals and competitions throughout the summer
- Collaborate with Athletic Trainer and Health Team Coordinator to ensure the well-being of the student-athletes

Qualifications:

- Current, unencumbered Compact state registered nurse license
- Minimum of 2 years of experience as a nurse, preferably working with a marching arts organization or youth sports team
- Strong organizational and communication skills
- Well skilled in teamwork and time management skills
- Ability to work well under pressure and in a fast-paced environment

- Must be able to travel with the corps throughout the summer
- Current CPR and AED certification

Mental Demands/Physical Demands/Environmental Factors:

- Ability to maintain emotional control under stress
- Work with frequent interruptions
- Moderate standing, stooping, bending
- May be required to lift up to 30 pounds without assistance
- Exposed to various outdoor weather conditions
