

**Job Title:** Traveling Nurse

**Organization:** Troopers Drum and Bugle Corps

**Location:** On Tour (Nationwide)

**Job Type:** Seasonal

**About Troopers Drum and Bugle Corps:** Troopers Drum and Bugle Corps is a renowned organization dedicated to fostering excellence in the performing arts. With a history dating back to 1958, the corps is committed to providing young musicians with a transformative and enriching experience. We are seeking a dedicated and experienced Traveling Nurse(s) to join our health team during the summer tour.

**Position Overview:** The Traveling Nurse plays a critical role in ensuring the health and well-being of our corps members while on tour. Under the supervision of the Health Team Coordinator, you will provide medical care, administer medications, and support the physical and emotional needs of our talented performers.

**Key Responsibilities:**

1. **Healthcare Services:**
  - Administer medications, treatments, and medical procedures as prescribed for corps members.
  - Assess and address the medical needs of corps members, including illness and injury care.
  - Collaborate with the Health Team Coordinator to ensure that all healthcare needs are met during the tour.
2. **Health Education:**
  - Conduct health and wellness assessments, and provide education to corps members on maintaining their well-being.
  - Promote healthy habits, hygiene, and injury prevention strategies.
3. **Emergency Response:**
  - Be prepared to respond to medical emergencies during rehearsals, performances, and travel events.
  - Assist with the implementation of the medical emergency plan as directed by the Health Team Coordinator.
4. **Record Keeping:**
  - Maintain detailed medical records for each corps member, including medical history, medications, and treatment plans.
  - Work closely with the Health Team Coordinator to ensure accurate and up-to-date records.
5. **Communication:**

- Report all medical assessments, treatments, and health education activities to the Health Team Coordinator and Corps Director.
  - Collaborate with other healthcare professionals and staff members to provide comprehensive healthcare.
- 6. Logistics Support:**
- Assist in the management of medical supplies and equipment during the summer tour, ensuring their availability at all tour locations.
  - Coordinate transportation and logistics for medical equipment as needed.

**Qualifications:**

- Registered Nurse (RN) or Licensed Practical Nurse (LPN) with a valid license.
- Previous experience in nursing, preferably in a clinical, hospital, school, or sports medicine setting.
- Strong interpersonal and communication skills.
- Knowledge of performing arts and the unique physical demands of a drum and bugle corps tour is a plus.

**Benefits:**

- Accommodation, meals, and travel expenses covered during the tour.
- The opportunity to work with a dynamic and talented team in a highly respected organization.
- The chance to make a positive impact on the lives of young performers.

If you are a dedicated and licensed nurse with a passion for supporting the well-being of talented musicians and performers, we encourage you to apply for the Traveling Nurse position at Troopers Drum and Bugle Corps. Join us in providing an exceptional experience for our members and helping them achieve their full potential in a safe and nurturing environment.

To apply, please submit your resume and a cover letter detailing your relevant experience and qualifications to the Corps Director at [director@troopersdrumcorps.org](mailto:director@troopersdrumcorps.org).
