

SPRING TRAINING TRAVEL INFO - SATURDAY, MAY 27TH

The Troopers are pleased to announce our Spring Training dates and location. Due to construction projects in Casper and scheduling conflicts throughout Wyoming, we will be conducting Spring Training in **Tipton, Indiana**.

The corps will move in on the evening of Saturday, May 27th at **Tipton High School 619 S Main St, Tipton, IN 46072**. The corps will remain at this venue until our departure for the 2023 DCI tour.

There are two options for traveling into Tipton.

1. Similar to winter camps, you may fly into the Indianapolis airport on Saturday, May 27th. All flights must be in by 4:00pm eastern time. Buses will transport members and staff from the Indianapolis airport to Tipton High School. These buses will depart from the airport at 5:00pm. Anyone that schedules flights later than this time frame will be responsible for their own transportation to Tipton High School.
2. You can be dropped off at Tipton High School any time after 4:00pm eastern time.

***Member personal vehicles are not permitted to remain on school property. You must either ride in on the bus, or be dropped off. Staff vehicles will not be permitted on property after the corps departs for tour.

Important note: Our summer tour ends in Indianapolis, IN on Sunday, August 13th following our awards banquet. The corps will dismiss at 1:00pm Eastern. For those flying out, our buses will transport you to the Indianapolis airport. Book your flights home after 4:00pm Eastern so you have time to get through security.

Pro Tip: Because the season begins and ends in Indiana, you might consider booking your flight into Spring Training and out following the banquet as a round trip. That might save you some money in the long run.

Now that you have decided how you will travel, it is time to submit your Spring Training Registration.
